# ABOUT US

International Undergraduate Program in Public Policy and Management (IUP PPM) is the first public policy and management program in Indonesia that has been accredited by AUN (Asean University Network) at Program Level under the umbrella of ASEAN-QA. It reaffirms the quality of education we are providing, not only in Indonesia but also in ASEAN standards. The program is purposefully designed to respond to new challenges on public administration in local and national, as well as global level, and aims at arming student with knowledge and skills in three main areas:

## GOVERNANCE AND PUBLIC POLICY

This area of interest is designed to arm student with board understanding and technical capacity to make a public policy, implement and evaluate it, as well as to underpin governance structure, which structures its process

## PUBLIC MANAGEMENT AND INNOVATION

Managing public sector in new context requires professional practitioner with strong background in human resource management, public service innovation, and knowledge management, which is delivered in this area of interest

## INTERNATIONAL DEVELOPMENT AND POLICY

This new area of interest which focused on preparing student with international dimension of development, preparing them in pursuing a career path in international corporations, and international NGOs
