FACULTY OF SOCIAL AND POLITICAL SCIENCES
UNIVERSITAS GADJAH MADA

ABOUT US

International Undergraduate Program in Public Policy and Management (IUP PPM) is the first public policy and management program in Indonesia that has been accredited by AUN (Asean University Network) at Program Level under the umbrella of ASEAN-QA. It reaffirms the quality of education we are providing, not only in Indonesia but also in ASEAN standards. The program is purposefully designed to respond to new challenges on public administration in local and national, as well as global level, and aims at arming student with knowledge and skills in three main areas:

GOVERNANCE AND PUBLIC POLICY

This area of interest is designed to arm student with board understanding and technical capacity to make a public policy, implement and evaluate it, as well as to underpin governance structure, which structures its process.

PUBLIC MANAGEMENT AND INNOVATION

Managing public sector in new context requires professional practitioner with strong background in human resource management, public service innovation, and knowledge management, which is delivered in this area of interest.

INTERNATIONAL DEVELOPMENT AND POLICY

This new area of interest which focused on preparing student with international dimension of development, preparing them in pursuing a career path in international corporations, and international NGOs.

WHY IUP PPM?

IUP PPM offers student an opportunity to experience international exposure through one of the following tracks:

Student Exchange/ Credit Transfer

One semester study in partner university. Tuition waived

Study Abroad

One semester up to one year study in partner university

Internship

Three to six months in an Indonesia based international organization

International Short Course program

One week to three months of summer/winter short course program in partner of foreign university.
